OTHER WAYS TO SUPPORT CLEAN & HEALTHY RIVERS

Event /Program Sponsorship:

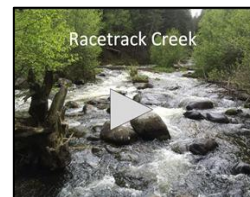

- **Clark Fork River Cleanup:** One of Missoula's most beloved and largest volunteer events, engaging 800-1,000 diverse community members each year, who collect trash from 15 miles of the Clark Fork. Benefits can include event signage, name placement in ads and mailings, and more.
- **Annual Holiday Party for the River:** Reach hundreds of river advocates and outdoor enthusiasts at our popular holiday celebration for the river. Unique outdoor setting (under the heated tent – rain, snow, or shine!) featuring free food, music, and beverages and a great vibe. Sponsors can be highlighted on event banners, in promotional mailings and ads, and via social media.
- **Program Support:** Sponsor one of our high-impact programs, including our Volunteer River Corps, Water Walks and Talks series, stream restoration program, watershed education program, river watchdog work, and more. Benefits are designed around program opportunities.

Volunteer Opportunities: River service projects are great team-builders, boost morale, and earn great publicity. We will work with you to find a good match between important watershed needs and your hard-working employees. *(Applies to all giving levels)*
